ABOUT

INGENUITYFEST 2022: EXPO INGENUITY!

Drawing on the best traditions of World's Fairs and (Inter)National Exhibitions, including the ability to highlight those scientific, technological and social innovations that have driven progress, Expo: Ingenuity will ignite the creative spark by tracing a history of imagination through time and place, bringing people together to uplift achievement and human ingenuity.

AT INGENUITY CLEVELAND, WE ARE THRILLED TO GATHER AND CELEBRATE THIS PAST, PRESENT AND FUTURE (FROM STEAM-POWERED TO SPACE-AGE!) WITH THE RETURN OUR FLAGSHIP EVENT. ALONGSIDE OUR WIDE COMMUNITY OF ARTISTS, PERFORMERS, ENTREPRENEURS AND YOU!

INGENUITYLABS & LABS MEMBERS

Our IngenuityLabs Incubator provides a supportive and accessible creative environment, resources and networking opportunities.

We encourage collaboration among artisans, technologists and innovators with our complementary year-round programs: the IngenuityLabs Incubator, the Ignite! series for creative entrepreneurs, monthly Ignite! Neighbor Nights and the community-driven creative collective, the Ingeneers.
