

APRIL 6 | SATURDAY

10 A.M.

Talespinner Children's Theatre performs the beloved *Hare & Tortoise*

NOON

The City Club of Cleveland welcomes Dr. Erin Macdonald, an astrophysicist, aerospace engineer, science fiction consultant and host of the YouTube channel "Dr. Erin Explains the Universe," for a presentation about her work in Star Trek and the interconnectivity of science and pop culture, a moderated chat and audience Q&A.

2 P.M.

Near West Theatre

Celebrate with Refresh Collective, a performance and art nonprofit that empowers youth and adults through the power of hip-hop music and screen printing. They will be bringing the festival stage to life throughout the weekend!

All performances on the Kulas Lunar Stage (outdoors) unless otherwise noted. Schedule subject to change
