

The Mission of Cleveland GiveCamp is to pair creative and technology talent with nonprofits in need.

- ❖ Cleveland GiveCamp 2022 will take place over the weekend of **August 12-14**, at the Hyland tech campus. This will be the 12th year that Cleveland GiveCamp will be providing free websites and other tech solutions to nonprofits in Northeast Ohio.
- ❖ GiveCamp “Coding for Charity” is a national program. We can proudly say that Cleveland has historically had the **largest** GiveCamp in the nation!
- ❖ Cleveland GiveCamp Sponsors underwrite all the costs associated with the feeding and support of approximately 200 volunteers and nonprofit representatives for the weekend. The Cleveland GiveCamp Steering Committee is made up entirely of volunteers. There is **no cost** to the nonprofits or to the volunteer participants.
- ❖ Please see the Cleveland GiveCamp Nonprofit FAQs and About web pages at ClevelandGiveCamp.org. You may also email us at: info@clevelandgivecamp.org for more information.

Nonprofits are encouraged to apply for Cleveland GiveCamp 2022 and/or sign up for notifications at: ClevelandGivecamp.org/Nonprofits
