

THE CITY CLUB OF CLEVELAND PRESENTS

## A SPECIAL PROGRAM

November 7, 2013

# STARTUPS @ THE CITY CLUB

'1912'

cleveland-nv-13

## FEATURED SPEAKERS

Innovation is the application of better solutions that meet new needs. Our panel is breathing innovation into their respective fields. They will discuss how they see their fields changing and what they are doing to meet new challenges.

**Alexis Giles, Vice President of Business Development, MOX TV**

MOX is a twenty-four hour, seven day a week continuous stream of music videos, interviews and music coverage. Previously at Google, Giles worked to develop and launch new products. She used her skill as a lawyer to help negotiate relationships for Google Maps and Google Earth.

**Paul Singh, Venture Partner & Master of the Hustle, 500 Startups**

500 Startups provides early-stage companies with up to \$250,000 in funding. An engineer and coder, Singh has founded or co-founded at least five companies. Paul is one of hundreds of experienced mentors in the 500 Startups network around the world who help companies succeed in ways other venture firms cannot.

**BT, Composer, Technologist, Recording Artist**

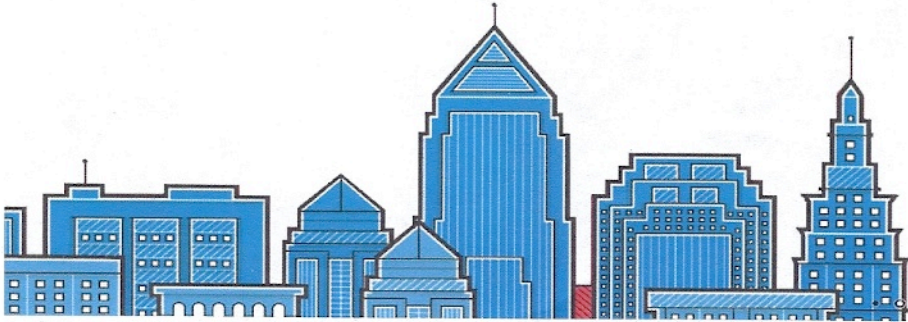

BT has produced for such artists as Sting, Tori Amos and Peter Dinklage. He has composed scores for such films as The Fast and the Furious and the Oscar-award winning Monster. He is continually evolving his music. He has combined his background in programming and technology to transform electronic music.

**Chris Heivly, Managing Director, The StartUp Factory**

Heivly has held CEO, COO and marketing and business development roles in a variety of tech-focused companies. He is also the publisher of [TriangleTechTalk.com](http://TriangleTechTalk.com).

# STARTUPS @ THE CITY CLUB

## Startups @ The City Club

The mission of Startups @ The City Club is to educate, inspire and provoke entrepreneurial thought throughout Northeast Ohio. Through bringing renowned thought leaders and entrepreneurs from around the country, we will be able to spread best practices and new ideas to add to the region's already fertile local soil.
